

April 06

Dear Bradfordt Village Homeowner,

Inside this binder you will find the color selections for the exteriors of homes located in Bradfordt Village. The Board of Directors has approved this list of color selections. Please select from the colors provided. As always, an ARB form must be submitted and you must have approval in writing before any work commences. Please notice that we picked colors from both Home Depot and Lowes, but this in no way prevents anyone from shopping anywhere they choose. All paint stores can match colors. We have tried to reflect the current trends and colors showing for the Spring of 2006. The colors appear to be trending towards more classic and traditional styles. As always, if you find another color selection that you would prefer and are not in this binder, please submit all paint samples with your ARB form. We will review each ARB application on a case-by-case basis.

We hope this binder will help in the appearance of the community. We understand our legal obligation to do what is best for the entire neighborhood and has and will continue to work with our community managers to achieve our goal.

Sincerely,

Bradfordt Village Board of Directors
