

## **Public Meeting on N19B Land on Lake Underhill Road**

10/26/2012

The following is a message the Waterford Lakes Community received from Jennifer Thompson, District 4 Orange County Commissioner:

Dear Residents,

Orange County Parks & Recreation is hosting a community meeting to discuss a potential new park site adjacent to the community of Jade Forest in Waterford Lakes. This 20 acre potential park site is located at the end of Lake Underhill Road and is currently owned by Orange County Public Schools.

This meeting is only a discussion involving the community to see if there is a desire to build a future park and if so, what type of park would be preferred. The meeting will take place on Monday, November 5th at the Orange County Public Library - Alafaya Branch, 12000 E. Colonial Drive starting at 6:30 p.m.

As we all know, the East Orange community lacks public parks and recreational areas and locating land is very challenging.

I look forward to your input as this is necessary in determining the community's desire for a park in this area.

Yours in service,
