

WATERFORD LAKES COMMUNITY ASSOCIATION

RECREATION COMMITTEE MEETING

June 11, 2008

LOCATION: WLCA cabana, 453 Mark Twain Blvd., Orlando, FL 32828

CALL TO ORDER: Jamie Rodriguez called meeting to order at 6:10pm

QUORUM: 2 of 3 members present, Jamie Rodriguez and Peggy Corbet. Tim Brewer was excused from meeting. Also present was Ken Zook from HOME and guest Shelly Hussey & Katylin Westerberg with Timber Creek High School Water Polo Team, both are Waterford Residents.

MINUTES: Minutes from May 14, 2008 were passed.

NEW BUSINESS: Timber Creek High School Water Polo attended tonight's meeting to ask about using the pool for practice January, February and March 2009 for morning practice 3 to 4 days a week. They gave a list of students about 30 to 35 all attending Timber Creek High School. They would have morning practice from 7:00am to 8:30am. We ask they fill out the normal request form, insurance, release & hold harmless forms and give us all names, addresses and ID numbers of students before the September Board meeting so we can pass this by the board.

Karen resubmitted for her youth tennis camp without the swimming word. She will be using the courts from 9:00am to 12:00 noon each Tuesday from 6/10/08 to 7/22/08. Approved

We would like to place a hold on the vending machine and have asked Ken to look into replacing the water fountain that used to be between the tennis courts and basketball courts. We feel that our gate lock would get a great deal less used from residents using this fountain.

Tennis court fencing needs re-strapping. Ken has fence guy coming out tomorrow to re-strap, if under his \$1000.00 he will just have work done. He will also order more straps and the hand tool to do our own re-strapping.

Ken brought out a budget comparison for us to see where we have collected money and what we have order and spent on recreation with our dues we have collected so far.

With the time change and Timber Creek High School Tennis team the kids have let us know they want the courts as they did last year but at a later start time. This should be no problem.

ADJOURNMENT: 7:20 pm

NEXT MEETING DATE: no date set at this time
