Sidewalk Cleaning

*Cathy Evangelo, Orange County Public Works Department Utility Coordinator & Sidewalk Program Manager,
November 2, 2010*

Property owners are responsible for cleaning their own sidewalks, not Orange County, Cathy Evangelo, Utility Coordinator & Sidewalk Program Manager for the Orange County Public Works Department, wrote, "We do not have funding to do sidewalk cleaning. Normally this is the responsibility of the property owner. We use our budget for new sidewalks and sidewalk repairs for safety concerns."
