The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such Director or officer did not act in good faith in the reasonable belief that such action was in the best interests of the Association or that he had reasonable grounds for belief that such action was unlawful.

No Director or officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction.

B. Interested Directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorized the contract or transaction.

Proposals for the alteration, amendment or rescission of these Articles of Incorporation may be made by a majority of the Board of Directors or twenty-five percent (25%) of the voting members. Amendment of these Articles of Incorporation shall require the assent of not less than seventy-five percent (75%) of the total number of votes in each class membership, except that the Board of Directors may amend these Articles of Incorporation without the assent of the membership to correct any ambiguities, scrivener's errors or conflicts appearing within these Articles of Incorporation.

ARTICLE XIII

The Association may be dissolved with the assent given in writing and signed by the holders of not less than two-thirds (2/3) of the total number of votes in each class of members. Upon dissolution of the Association, other than incident to a merger or consolidation, the assets of the Association shall be dedicated to an appropriate public agency to be used for the

purposes similar to those for which this Association was created. In the event dedication is refused acceptance, such assets shall be granted, conveyed and assigned to any non-profit corporation, association, trust or other organization to be devoted to such similar purposes.
